

Let us help with your freight needs!

Our Strategy

Freight17's flexible model, using only quality carriers, means you benefit from improved service levels, greater flexibility and time-definite deliveries. Our expertise in transport management and planning allows us to design a solution that meets your needs and also quickly responds to any event disruptions.

As a non-asset based carrier, our ground transportation network provides you with flexibility, improved service levels, accelerated delivery, reduced direct and indirect costs and much less complexity.

Services Include:

- Full Container Loading (FCL)
- Less Than Container Loading (LCL)
- Ground Transportation
- Warehouse Storage and more...
